Christian is a highly driven and effective insurance leader with a strong entrepreneurial spirit.

He has been part of two platform build-ups, one as CUO for MS Amlin and another as CEO for Credit Suisse ILS / Bernina Re.

Having worked for different sized companies and in various markets have allowed him to experience reinsurance from a wide range of perspectives.

Christian has strong project management skills and is very delivery focused.

Bernina Re

2019 – 2022

CEO, Bermuda

Leading the build-up of Bernina Re as central sourcing, underwriting & administration platform for Credit Suisse ILS Ltd. with headquarters in Bermuda and branch in Switzerland. Initiating the transformation of the company into a multi-capacity MGA.

MS Amlin

2010 – 2018

CUO and Head EMEA Reinsurance, Zurich

As CUO successfully established an end-to-end underwriting platform, including guidelines, processes, and tools. Recruited and led a team of Lead Class Underwriter, Actuaries, Modelers and Claims experts.

Later managed the EMEA reinsurance business for MS Amlin, building a strong new franchise in the European market and transforming the Zurich start-up organization into a relevant pillar of the Group.

Swiss Re

2001 – 2010

Underwriter, Managing Director, Zurich, Madrid, Toronto

Started as treaty underwriter serving global clients, subsequently moving to Spain to lead the Iberia treaty desk and finally being the UW Hub Head for Canada, Caribbean and Latin America out of Toronto.

McKinsey & Company

1999 – 2001

Senior Associate, Zurich

Various strategy and operations projects in Switzerland and Europe. Examples are the reorganization of a Global logistics company, structural optimization of a Greek utility and professionalization of a Global sports organization.
